

create engaging spaces

For over 65 years, KCAV has offered innovative, proven audiovisual solutions in the corporate office, the classroom, the conference room, and beyond.

We're ready to help you tackle your next challenge.

WHAT WE DO

- System Design & Installation
- AV Service & Maintenance
- Interactive Displays & Walls
- Video Conferencing
- Digital Signage
- 1:1 Device Storage & Cases
- Collaboration Solutions
- Projectors & Display Screens
- Document Cameras
- Sound Systems
- Control Systems
- Racks & Mounts
- Furniture & Security Cameras
- Virtual Meeting Solutions
- Professional Development
- Hybrid Meeting Room Updates

We focus on helping schools, universities and businesses succeed in the digital age by designing and installing innovative systems and technologies, helping our clients connect and collaborate more effectively - in person and remotely, anytime and anywhere.

Our team of local consultants assists clients in selecting the best technologies to satisfy their goals and budget, and our Operations team of engineers and technicians designs and installs both large and small systems.

Nothing represents success for KCAV more than turning new customers into long-time clients and friends. At KCAV, we take great pride in working as partners with our clients to **create engaging spaces to learn, work and share.**

- ✓ Local Face-to-Face Service
- ✓ Free Site-Surveys & Consultations
- ✓ Implementation Training
